Friday 3rd July 2020

Happy Friday Year 6,

Wow, yet another Friday! We hope you've been enjoying the learning this week and that time is flying as quickly for you as well. Just two weeks to go before we start the summer holidays and time for us to enter into the finale of your time at St James. Over the next two weeks, there'll be a lot of fun activities and time to think about all those wonderful memories from your time at St James. Look out for the new learning grid that will be sent out later today.

Anyway, here's a run-down of the tasks for today:

Today's learning:

All resources can be found here: https://st-james.kent.sch.uk/learning/year-6/

English:

LO: To create a class rap!

With the end of the year in sight, it would be great if we could create a group rap or song to celebrate our fabulous classes. Maybe use a backing beat or tune from YouTube to do the performance to.

SPaG:

Play a spelling game such as scrabble or boggle. There are lots available online if you don't have your own set.

Maths/Art:

LO: Follow the tutorial to create some art work using our maths skills

https://www.stem.org.uk/resources/elibrary/resource/32834/maths-and-art

For this afternoon, we would like you to choose 1 or 2 activities to complete from the bottom half of the grid.

We hope you have a lovely day and a fantastic weekend,

Year 6 Team
