

Contact Letter	Date: 14.11.19	Year Group: 5
Topic: St James' - Back to the Future		
This week's learning: <ul style="list-style-type: none"> • Maths: This week we have learnt how to read data from tables, two-way tables and timetables. • English: This week we started our new text Street Child set in Victorian Britain comparing lives of children today with that of the those who had to live in workhouses. • Wider Curriculum: In Science we looked at renewable energy sources and solar panels and in DT we looked at food groups and healthy eating practices. 		
Next week's learning: <ul style="list-style-type: none"> • Maths: Next week we are learning about multiples and factors of given numbers. • English: We will be freeze framing scenes from our current text and role-playing characters to help understand their emotional state. We will then use this to generate writing from a character's point of view. • Wider Curriculum: Next week we are designing our own veggie burgers and using our knowledge of food groups to make these as healthy as possible.
