

Contact Letter	Date: 13.03.20	Year Group: 6
Topic: Inventions - Which inventions have shaped civilisations?		
Next week's learning: <ul style="list-style-type: none"> • Maths: We will be identifying, measuring and comparing angles. We are looking at statistics to learn about averages – specifically how to calculate the mean, mode, median and the range of a group of numbers. • English: We continue with our story of Hugo Cabret. We will be writing newspaper articles and examining poetry. In SPaG we will be looking at and embedding direct and reported speech. • Wider curriculum: In topic, we will continue to decide on which civilisation was the most brutal! We will start designing and planning our own inventions – finding solutions that will change the world as we know it!
