

To all children in Year 6,

We have given you a home learning exercise book to put your work in and an Abacus book. Please take very good care of this school property, which you must bring back to school when we return. Please keep your book looking beautiful - you may decorate the cover if you like! When you write in your book, use a pen for writing tasks and pencil for maths tasks and set your work out as you would have done in the classroom.

You will find a home learning grid in your book. This has lots of activities for you to choose from.

**Every day, you will need to:**

**Morning sessions:**

1. Complete your daily maths, English and SPaG/reading activity in your home learning book.
3. Complete at least three sessions of Times Tables Rock Stars every week.
4. Share your reading with an adult every day - you can take turns to read to each other.
5. Take photos of what you have been up to and add to your home learning book using detailed captions and thought bubbles.
6. All parents can log on to the Twinkl website for free where you can access a variety of resources to support learning. Also, the following links will be particularly helpful if you have not received the Abacus text book from school.
  - <https://www.twinkl.co.uk/resources/keystage2-ks2/ks2-class-management/school-closure-home-learning-classroom-management-key-stage-2-year-3-4-5-6>
  - <https://www.onceuponapicture.co.uk/> To be used as a writing stimulus.
  - <https://www.literacyshed.com/home.html> To be used as a writing stimulus.
  - <https://www.topmarks.co.uk/> - Maths Games and resources
  - <https://nrich.maths.org/primary> - Maths problem solving activities

You can email your teacher with any questions or to tell us what you have been up to.

With best wishes from Miss Stock, Mr Stevens & Mrs Williams.
