

Contact Letter	Date: 19th October	Year Group: 6
Topic: Spread Your Wings		
Next week's learning:		
<p>Maths: We will be working logically and collaboratively to solve a range of mathematical puzzles and problems. We will use our reasoning skills to find all possibilities and explain our thinking in as much depth as possible.</p> <p>English: We will look at poetry by William Blake and create some of our in a similar style. We will also look at the picture book, The Viewer and make inferences from the images that we see.</p> <p>Wider curriculum: We will conclude our Spread Your Wings topic by looking at how aviation has changed over time and how popular it is in modern times. We will look at current flight paths and plot these on a map.</p>		
Other information:		
<p>We hope you all have a lovely half term and look forward to seeing you all in a week's time.</p>
