| Contact Letter | Date: 27.11.20 | Year Group: 1 |
| Topic: Knowing Me, Knowing You | | |
| Next week's learning: | | |
| <p>Maths: We will further explore the teens numbers through using part whole models, comparing and ordering them. We will also be revisiting some of the learning covered during the time spent at home.</p> <p>English: We will be re-telling the Christmas story; making a story map as a class then completing our own independently. We will use this to help us write the story and use time connectives to order our writing. We will also learn how to write a list and make lists for Christmas.</p> <p>Wider curriculum: We will continue to learn about Africa, including learning about the life of Nelson Mandela and using different maps to learn more about the physical geography of the continent. We will think about why we have advent calendars and enjoy finding out about the real story behind Christmas, including rehearsing for this year's Nativity Show.</p> | | |
| Additional Information: | | |
| <ul style="list-style-type: none"> - Please send in any learning your child has done at home in a named carrier bag over the next week. We will be making time to share what they have done and add the work into their school books and folders. - Parent Consultation Evenings are next week (Tuesday 1st and Thursday 3rd December). You will receive an invite to join a Teams meeting from your child's class teacher. This will be in the 'Calendar' section of your child's Teams account. Please contact your class teacher if you have not received this yet. - Please note Friday 11th December is Christmas jumper day. The children are invited to come to school dressed in their most festive knitwear. - The learning will continue to be uploaded on Teams weekly in the event of anybody needing to self-isolate. | | |
