

# INVENTIONS

## SPRING 2020

### PHASE

6 Weeks

5.5 Weeks

#### Stunning Start: Egg Drop Competition

Transport—How can we get from A to B?

- Vehicles—different types of transport.
- Link to Back to the Future (going back to look at different types of transport)

Buildings and Structures —Who lives in a house like this?

- Different types of homes
- How have homes developed over time?
- Include structures (Eiffel Tower, Pyramids)

Half Term:

17th-21st February

#### Marvellous Middle: Trip to Kent Life

Rosie Revere Engineer  
Little Miss Inventor  
Iggy Peck Architect  
Wallace and Gromit  
The Literacy Shed

Communication—Knock, knock, who's there?

- How has communication changed?
- How can we contact other schools/countries?
- Different forms of communication—written and spoken.

Own Inventions— How do you solve a problem like...?

- Solving a problem set
- Applying skills and knowledge

#### Fantastic Finish: Inventions Fair/ Science Week
