

HOME LEARNING

Monday 18.5.20

Dear Year 1,

Please look at Home Learning Grid and the Phonics Sheet for more detail on today's activities.

English focus: Talking about boats. We have provided an activity sheet for the week's activities, but you do not have to use it – just use as a guide.

English key questions: Can you make a list of the similarities and differences? **Can you draw your favourite boat and use 'because' in a sentence to explain why you chose it?**

Phonics focus: Looking at alternative pronunciations of **a** (hat, acorn, fast, was)

Maths focus: Capacity. In year 1 we focus on the language of capacity, comparing amounts and filling containers using non-standard units.

Maths key questions: Can you label 4 glasses (or cups – but they need to be the same) correctly? Full, Almost full, almost empty, empty. Can you challenge yourself to fill glasses in different ways? Show me full, show me empty etc

Get your grown up to fill some glasses. Can you order them by how much is in them? Compare two glasses or cups the same size. Fill them with different amounts. Ask questions like: Which holds more? Which holds less?

Then choose one other activity from the Home Learning Grid.

Reminders: We welcome Mrs Coward to the Year One team 😊
Start with science this week – it will help with your writing task!

Happy learning!

Mrs Sweatman, Mrs Mill and Mrs Shortland and Mrs Coward
