

Wednesday 1st July 2020

Good morning Year 6,

We hope you enjoyed piecing together your plans for your newspaper articles. Please do just consider an example of both direct and reported speech from Monday's interviews that could be used – we are happy for you to adapt and be creative if you need to be!

Below, a run-down of the tasks for today:

Today's learning:

All resources can be found here: <https://st-james.kent.sch.uk/learning/year-6/>

English:

LO: To write a newspaper report

Write your newspaper report. Look at the success criteria checklist to make sure that you have included all the key features.

Think of how you could present and illustrate your newspaper report. Will you type or handwrite it?

Reading:

Do some reading/research on a subject of your choice to get ready for your non-chronological report writing tomorrow. Here are some ideas:

- The history of a favourite football team
- A report on a favourite artist
- Information about a hobby or place of interest
- A report on an animal

Maths:

Lesson 3 – Using scale factors

Watch the video, complete the worksheet and mark your work, making any corrections along the way <https://whiterosemaths.com/homelearning/year-6/>

For this afternoon, we would like you to choose 1 or 2 activities to complete from the bottom half of the grid.

We hope you have a lovely day,

Year 6 Team
