

Contact Letter	Date: 22.11.2019	Year Group: 6
Topic: St James' - Back to the Future		
<p>This week's learning:</p> <p>Maths: We have solved reasoning problems focusing on adding and subtracting fractions.</p> <p>English: We have focused on active and passive voice within our writing.</p> <p>Wider curriculum: In Topic, we have been predicting the future of St James' Primary School! We drew a map of what the school will look like in 2069.</p>		
<p>Next week's learning:</p> <p>Maths: We will multiply and divide fractions by whole number and proper fractions.</p> <p>English: We will produce narratives focusing on suspense and varied sentence structure for effect.</p> <p>Wider curriculum: In Topic, we will continue to predict the future of St James' Primary School! We will create new school values and emblems for the school.</p>
