

Contact Letter	Date: 01.11.2019	Year Group: 6
Topic: St James' - Back to the Future		
Last week's learning: Maths: We continued to revise the four operations. We began to look at multiples and factors. English: We researched and produced non-chronological reports on Queen Victoria and the Victorian period. Wider curriculum: We continued to explore circuits and began creating our own burglar alarms for the classroom!		
Next week's learning: Maths: We will begin our Fractions topic by focusing on equivalent fractions and ordering fractions. English: We will be focusing on the different tenses for SPAG. We will continue to work on Street Child by 'hot seating' characters and writing in role. Wider curriculum: We will begin creating our own burglar alarms for the classroom within science! In topic we will be looking into the different social classes during the Victorian times.
