

30.3.20 – Year 3 Home Learning

Dear Year 3,

We hope you all had a lovely weekend!

Welcome to Marvellous Monday! Please have a look at Monday's column on your Home Learning Grid for today's activities.

Maths

Choose page 26 or 27 from Abacus Textbook 1. Set out like they have shown you on the page. Start by doubling the tens and then the units, then add your two answers.

For example,

25 Double 20=40 Double 5= 10 40+10=50

Have a go at this maths quiz if you want to:

<https://uk.ixl.com/math/year-3/add-doubles>

If you are working from Abacus Textbook 2, choose page 14 or 17. (Use the x4 table to help with the x8 table on page 14.)

Maths Challenge

We saw some amazing fractions learning last week when some of you made some delicious cakes and cut them into different fractions! We look forward to seeing you in the Great British Bake Off in years to come!

Today you can have a go at weighing and measuring ingredients to make Easter biscuits or icing some biscuits with symmetrical patterns.

Here are some websites to help you:

<https://www.bbcgoodfood.com/recipes/easy-easter-biscuits>

<https://www.bbcgoodfood.com/recipes/iced-easter-biscuits>

SPaG

People all over the country are making rainbows to make people smile and cheer people up. Make or paint a rainbow to put up on a window or create a rainbow on your driveway with chalk.

Make up adjectives and similes to put on your rainbow display to make people smile.

The beautiful blue sky is like an ocean of dreams.

The sunshine is as bright as a thousand happy smiles.

English

Design a leaflet or guide on Lullingstone Roman Villa for younger children. Check out these links for ideas:

https://en.wikipedia.org/wiki/Lullingstone_Roman_Villa

<https://www.english-heritage.org.uk/siteassets/home/visit/places-to-visit/lullingstone-roman-villa/school-visits/student-activity-sheets-final.pdf>

Have a go at just one of the afternoon activities at the bottom of the new learning grid (the rainbow activity is creative and might take you a while). Please keep sending us your emails at the end of the day to let us know what you've been up to and how you got on. We are really enjoying reading them. Thank you to all your wonderful parents who are doing an amazing job as your supply teachers! Remember to join in with Joe's PE session too!

Have an awesome day!

The Year 3 team
