

Contact Letter	Date: 23.10.20	Year Group: 1
Topic: Knowing Me, Knowing You		
After half term: <p>Maths: We will learn more about adding numbers within 10. We will focus on the importance of starting on a number e.g. 6 and then adding a second number to that number. We will explore the importance of commutativity within addition e.g. $5+2$ is the same as $2+3$ and we will think about which number is easiest to start from when adding. We will learn how to use number line to add numbers.</p> <p>English: We will listen and explore the story of Jack and the Beanstalk. We will re-tell the story and become familiar with it. We will also be enjoying some fireworks virtually and use descriptive language.</p> <p>Wider curriculum: We will learn about the story of Guy Fawkes.</p>		
Additional Information: <ul style="list-style-type: none"> - There are no Year 1 Forest School groups this term. - Learning is now available on your child's Teams login pages. This is in the event of needing to isolate and is not compulsory to complete otherwise (it is a replica of what we will be doing in school).
