

Contact Letter	Date: 14 <sup>th</sup> September	Year Group: 6
<b>Topic: Spread Your Wings</b>		
<b>Next week's learning:</b> <p>Maths: We will be using and applying our knowledge of rounding numbers to 2 decimal places.</p> <p>English: We will be collecting descriptive vocabulary and using it to write a character description and a poem inspired by our class novel, Skellig.</p> <p>Wider curriculum: We will be thinking about spreading our own wings and looking to the future. We will consider the sort of things we might like to do when we grow up. In Science we will be looking at how animals are classified into groups. We will use pencils in art to do some observational drawings of feathers and birds.</p>		
<b>Additional Information:</b> <p>It has been a lovely start to the term so far. Well done to all Year 6 children. You are making us all very proud. It has been so wonderful to see so many smiley faces.</p>
