

# HOME LEARNING

Friday 17<sup>th</sup> July 2020

Dear Year 1,

Please look at Home Learning Grid for more detail on today's activities.

**English focus:** We are continuing to look at saying thank you, today you might like to look at saying thank you to people that are not in our homes but help us. Could you make a card for the people that deliver your post, collect your rubbish and recycling, or anyone else that helps you.

**Phonics focus:** revisit all sounds learnt this term, focussing on those which may need extra practice.

Use games on phonics play or some of the other practical games and activities we sent out earlier this term.

**Maths focus:**

Free choice today! Please recap on some key areas these would be: bonds to 10 and 20, o'clock and half past, using a 100 square and consolidating place value to 100. You might even want to make some cakes or biscuits to work on weighing.

Now choose one other challenge from the home learning grid.

**Reminders:**

If you haven't checked in this week, please send a quick email to let us know all is well and we can wish you a marvellous summer break! Thank you.

Happy learning!

Mrs Mill, Mrs Shortland, Mrs Sweatman and Mrs Cunningham
