

<b>Contact Letter</b>	<b>Date: 23.10.20</b>	<b>Year Group: 4</b>
<b>Topic: Spread your Wings- Africa</b>		
<b>Next week's learning:</b>		
<p><b>Maths:</b> We will be learning how to calculate the perimeter of both regular and irregular shapes, starting with rectangles.</p> <p><b>English:</b> We will be learning to use adverbs in our writing. We will also be revising the key reading skill of answering questions about information inferred in the text.</p> <p><b>Wider curriculum:</b> In Science we will be starting a new topic of Electricity and discovering how it moves in a circuit.</p> <p>In RE we will be starting our journey to discover what Christians believe about the Incarnation (God becoming man as Jesus).</p> <p>In Topic we will be learning about a day in the life of a child in Kenya.</p>		
<b>Additional Information:</b>		
<p><b>Homework has been set</b> and needs to be returned by Wednesday 4<sup>th</sup> November 2020. The homework is a topic project to <b>research the Massai Tribe</b> of Kenya. It can be presented in any form. Details can be found in the homework books. My Math has also been set.</p> <p>We would like the children to collect some <b>colourful Autumn leaves</b> for an art project after half term. We would be grateful if they could be <b>pressed and dried</b> between some newspaper and heavy books. Please send in after half term.</p>		

Please Note

Some children have decide to continue to copy their amazing Just So stories out into neat, some wish to type them up on a computer over the holiday (if you want a quiet hour!)

This has been their choice; it is NOT set homework. Please do return handwritten stories as this was part of the lesson.
