

Easter Project

We would like you to play some board games.

Play a variety of games with your family.

Rate each game, what makes them exciting? Who won? Which one was your family's favourite? Are there some games that you can play on your own? With your brothers or sisters? On-Line with a grandparent, Aunt or Uncle?

If you don't have any games try <https://www.memory-improvement-tips.com/free-board-games.html> or make up a fun activity.

If you want to, you could then design your own game.

Decide on a theme. Draw what the board would look like, (Don't make it too complicated) Make it colourful and appealing.

Don't forget to name your game. Maybe you could explain how to play it?

Send us pictures of you playing some games, and if you designed one, your design, when the new term starts on Thursday 16th or Friday 17th April.
