

Contact Letter	Date: 23rd November	Year Group: 6
Topic: World War Two		
Next week's learning:		
<p>Maths: We will be learning how to add and subtract fractions.</p>		
<p>English: We will continue to read our class novel, Letters from the Lighthouse. We will make relevant notes on what Kindertransport was and who was affected by it. We will then use our notes to create a non-chronological report and use our editing skills to edit this piece of work.</p>		
<p>Wider curriculum: We will use our research from the previous lesson to create a fact file about evacuation in World War Two.</p>
