

Contact Letter	Date: 6 th March 2020	Year Group: 5
Topic: Inventors		
Next week's learning: <ul style="list-style-type: none"> • Maths: We are learning how to multiply fractions by whole numbers, then learning about fractions of amounts. • English: We are continuing to learn about the features of newspaper reports, direct and indirect speech and other features of recounts. • Wider Curriculum: Having explored ancient medicines from Egyptians, Romans and Greeks last week, we will consolidate our knowledge creatively, demonstrating what we have learnt.
