Topic: Spread your Wings- Butterfly Lion / Christmas		
Next week's learning: Maths: We will be completing some challenges which revise all the areas we have covered this term. English: We will be finishing reading our story, 'Butterfly Lion'. We will complete some comprehension activities about the text, focusing on the skills of prediction and inference. Next week we have lots planned, each class will have a party, Voiles – Wednesday, Stoats- Friday and Dormice – Friday . The children can bring in a change of clothes and a small bag of party food for themselves. NO nuts. No drinks. We will be recording our Christmas Play. We will also be watching the school talent show live on Teams, finishing off our Science topic of electricity, our RE study of the Incarnation, our Art drawing skills and our History/ Geography topic of Africa.		
Additional Information: Homework has NOT been set. There is one last list of spelling to be learnt for next week please. We would instead like the children to practice saying their lines for the Christmas play- loudly and slowly, but with expression . Class parties next week.
