Topic: St James' - Our Journey		
This week's learning: <ul style="list-style-type: none"> • Maths: We have been looking at properties of shapes and using these to create Art and DT work. • English: We have been focusing on our handwriting this week while we write Christmas messages and have also been following instructions. • Wider curriculum: We have been continuing to rehearse our Christmas performance and songs. We have also been creating a range of decorations and art work based on Christmas. 		
Next week's learning: <ul style="list-style-type: none"> • Maths: We will be counting money in pounds and pence as well as selecting coins to make a certain amount. We will also be using our reasoning skills to solve problems. • English: We will be retelling the Christmas Story, creating a book to present this. We will also be writing letters. • Wider curriculum: We will be performing the Christmas play that we have been working so hard on. In Science, we will be creating a menu based on what we have learnt about a balanced diet. We will also be creating party hats in DT. 		

Spellings: Please revise all the words we have looked at so far this term.

Please start rehearsing for the talent show. We will select two acts from each class to perform in the show on the last day of term.
