

Year 3 Home Learning Activity Grid

Morning Activities: 9.00 -12.00 Complete a daily English, SPaG & Maths activity (Abacus) each day in your home learning book.					
	Monday	Tuesday	Wednesday	Thursday	Friday
English	Write a diary entry as a Roman soldier at the end of the battle with Boudicca	Imagine you are a Roman legionary sent to a far corner of the Empire – write a postcard home	Write an acrostic poem using the word ROMAN (Roman Empire for a challenge!)	Roman Armour and Weapons Reading Comprehension (in your pack) – Remember to answer in full sentences	Use your table of adjectives, adverbs and verbs to create a story about a robot
SPaG	Use these Roman words in sentences: centurion, Emperor, chariot, Celt, javelin, mosaic (use conjunctions to extend your sentences!)	Write sentences using homophones – here/hear, our/are, won/ one, wear/where, etc.	Neatly copy out a few sentences from your reading book and underline nouns in red, verbs in blue, adjectives in green and adverbs in purple. The <u>little</u> <u>puppy</u> <u>barked</u> <u>noisily</u> at the <u>bird</u> .	Make a list of fantastic adjectives, verbs and adverbs from your reading book – write them in a table on one page of your book.	
Maths	Abacus Page 4, 5 or 6 Write your number bonds to 20 using Roman Numerals (I + IX = X) Extra challenge – choose a times table to write out in Roman numerals.	Abacus Page 10, 11 or 12 Follow a recipe to make a cake. Can you cut it into fractions? Draw your cake with its fractions.	Abacus Page 14, 15 or 16 Find 3D shapes around your home. Name them and label their properties (eg how many faces/ vertices/edges)	Abacus Page 22 or 23 Draw a plan of and find the perimeter of a room in your house or your garden	Abacus Page 24 or 25 How many numbers can you make using these 3 digits: 0, 2, 3 and 7
Afternoon Activities: 1.00-3.20 Choose 2 activities from below that you would like to complete each day. Please send examples to your class teacher each Wednesday.					
Topic (History)	Make a poster/leaflet titled – ‘What did the Romans do for us?’	Draw a picture of a Roman soldier in armour and label	Find out about Hadrian’s Wall and make a fact file about it, including pictures and writing.	Invent a new robot to help your teacher in the classroom. You should plan and draw and could even make your robot!	
	Research a Roman invention and make a poster about it	Pompeii – Find out about the eruption, and draw a diagram of a volcano. Write some fascinating facts around your drawing.	Create a Roman word search	Research Roman food and create a Roman menu	
Art	Create a mosaic using coloured paper	Design a new Roman shield and weapon	Make your own animal or minibeast using stones, sticks and leaves. Draw it in your book or take a photograph.	Make a bookmark about any of your learning this term (eg, Jabberwocky, a maths topic, Romans, plants).	
PE	YouTube – Cosmic Kids Yoga	YouTube – The Body Coach TV Kids Workout	Learn a new skill: Juggling, hand/headstand, moonwalking, whistling, hopscotch, cats cradle, skipping, sewing on a button, knitting, etc.	Make up a dance routine	
Computing/ Music	BBC – Dance Mat Typing	Coding – Scratch	Make a musical instrument from recycling Make a scale - use 7 bottles and put a different amount of water in each	Learn a Roman Song (Just like a Roman, BBC Rockin’ Romans Musical)
