

Contact Letter	Date: 15.10.19	Year Group: 3
Topic: St James': Our Journey		
This week's learning: <ul style="list-style-type: none"> • Maths: We have continued with column addition and subtraction. Some of us have also used this method to solve word problems. • English: We have completed out information booklets about The Victorians. • Science: We have continued to look at circuits and how they work. • Wider curriculum: We have been learning about Victorian schools. 		
First week: <ul style="list-style-type: none"> • Maths: We will be looking at estimating and checking. • English: We will be writing a recount of Victorian Day. • Science: We will be using circuits to design and make a burglar alarm. • Wider curriculum: We will have a Victorian Day, where children will participate in a range of activities inspired by Victorian school life.
