

Wednesday 1st July 2020

Good Morning Year 5

Welcome to Wednesday. The first of July. Halfway through the week already, well done everyone. If you haven't been in touch with your class teacher please just send a quick email about how you're getting along, we'd love to hear from you.

Maths:

LO: Calculate Angles on a Straight Line

Video link: <https://vimeo.com/432267958>

Questions:

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-3-Calculating-angles-on-a-straight-line.pdf>

Answers:

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-3-Answers-Calculating-angles-on-a-straight-line.pdf>

English:

LO: Reading comprehension

Finish reading **chapter 9: The night of the turtles**. Answer the questions in sentences and choose the correct T/F statement. Some of this chapter was read last week so make sure you find the correct evidence rather than relying on memory. **Quote from the text** whenever possible to gain full marks.

Wider Curriculum- choose any of the additional tasks listed in the home learning grids.

Have a great day,

Mr Pritchard, Mr Wyke & Mrs Sparks
