| Topic: Spread Your Wings  |                      |               |
| <p><b>Next week's learning:</b></p> <p>Maths: We will continue to use and apply our knowledge of rounding numbers to 2 decimal places. We will then move onto understanding negative numbers and calculating differences.</p> <p>English: We will draft, edit and write play scripts based on sections of Skellig.</p> <p>Wider curriculum: We will be learning about the history of aviation and creating timelines to present our findings.</p> |                      |               |
