<b>Topic: Spread your Wings</b>		
<p><b>Next week's learning:</b></p> <p><b>Maths:</b> We will be revising length, including finding the equivalent length with centimeters and meters, millimeters and centimeters. We will also be adding and subtracting lengths including kilometers.</p> <p><b>English:</b> We will be learning to punctuate speech including starting a new line when a new person speaks. We will then be using this skill in our own versions of a Just So Story.</p> <p><b>Wider curriculum:</b> In Science we are continuing to look at Sound. We are learning how what pitch is and how to change the pitch of a sound.</p> <p>In RE next week, we will be considering the Ten commandments and what the mean to Christians and how it should alter how they choose to live their lives.</p> <p>In Topic we will be learning about the geographical features found in Kenya, including mountains, valleys, forests, lakes and seaside.</p>
