

# YR Easter Challenge

To the children in Maple, Oak and Cherry Classes,

We have set you an Easter Challenge! As you now have two weeks without teachers sending work home, we have prepared this challenge to help you think of things you can do over the holiday. The challenge is all about **happiness!**

Lots of people have been making rainbows to put in their windows to make people happy, and the teachers have been feeling very happy when we see your smiling faces in the photographs you send in. Over the next two weeks, how many things can you do to make people happy?

It might be things that make you happy. Or things to make your mummy and daddy happy. What about your brothers and sisters? Or even people walking by your house?

We have attached some ideas on the next page. This challenge will run for the entire holiday – please let us know how you get on at the end of the break on Thursday 16<sup>th</sup> or Friday 17<sup>th</sup> April. We will not be sending home the daily learning until Monday 20<sup>th</sup> April.

Good Luck and Keep Smiling!
