Part A: Pupil premium strategy plan 2023-24

Statement of intent

Measure	Activity
Priority 1	To ensure that the school closes the gap for overall attendance & persistent absence for disadvantaged children and their peers.
Priority 2	To ensure that pupil premium children continue to make progress that is at least in line with national averages, particularly in Phonics and Maths.
Priority 3	To ensure all disadvantaged pupils continue to receive equality of opportunity through the school's Pupil Premium Promise
Barriers to learning these priorities address	Poor attendance/persistent absence Lack of support with learning at home Inability to fund aspects of school provision and wider curricular opportunities such as uniform and trips Inability to fund extra-curricular clubs and activities
Projected spending	Budget £75,434

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attendance of pupils is lower on average than non-disadvantaged and persistent absence is higher
2	Attainment for disadvantaged pupils is lower on average than other pupils
3	Access to wider and extra-curricular activities is lower for disadvantaged pupils than other pupils

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Aim	Target	Target date
Improve attendance	Improve attendance for disadvantaged groups from 93% to 95%	December 23
Improve progress in Maths	Improve attainment in Maths for children eligible for PP so that children achieve in line with national averages	July 24
Improve progress in Phonics	Improve attainment in Phonics across the school particularly in Year 2	June 24
Access to extra-curricular clubs including sports dance languages and musical instrument lessons	Increase up-take of the offer to fund an extra-curricular club for all children eligible for PP to 50%	April 24
Access to wider curricular opportunities such as school trips including residential and swimming lessons	All children to have access to all school trips, swimming lessons and school uniform	July 24

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding **this academic year** to address the challenges listed above.

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £30,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
----------	--------------------------------------	-------------------------------

Ensure that children have access to additional in class support in Maths and/or Maths groups if they are working below age related expectations	<p>Mainstream Core Standards</p> <p>White Rose is an evidence-based Maths scheme</p> <p>Monitoring of Maths teaching across the school by Maths leaders and SENCO</p> <p>Progress of PP children tracked and highlighted at 3 x yearly pupil progress meetings</p>	2
Ensure that specific children have access to 1:1 adult support if they need it	EEF evidence supports use of targeted TA support	2
Ensure that children with Speech and Language needs in Year R and 1 receive small group support and assessment with SALT as needed using SLA time	<p>Evidence based interventions:</p> <p>Language Link programme</p> <p>Speech Link programme</p> <p>Talk Boost intervention</p>	2
Ensure that children have access to Little Wandle phonics keep up and catch up groups when assessed that they need intervention	Little Wandle phonics is an evidence-based scheme	2

Teaching

Budgeted cost: £15,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Ensure that children across the school have access to adaptations including manipulatives and additional in class support in Maths if they need it	<p>Mainstream Core Standards</p> <p>White Rose is an evidence-based Maths scheme</p> <p>Monitoring of Maths teaching across the school by Maths leaders and SENCO</p> <p>Progress of PP children tracked and highlighted at 3 x yearly pupil progress meetings</p>	2

---	---	---

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £35,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Regular reminders of the importance of good attendance in newsletters, parent consultations etc. Targeted letters sent to parents each term if attendance is below 95% offering support. Phone calls home when pupils are absent.	Raising profile of attendance will support parents to understand the importance of it. Directly informing parents that their child has not got good enough attendance and offering support can be impactful.	1
Regular reminders of the criteria for applying for PP and the benefits in the newsletter to encourage more parents to apply. Offers of support with completing the application.	Regular reminders will encourage parents to apply particularly when children are of KS2 age and no longer eligible for Free School Meals	3
Targeted phone calls/emails to parents of children eligible for PP to remind them that they can sign up for a club at no cost to them. Funding one extra-curricular club per week	Some parents may not realise/have forgotten that their child is eligible for PP so may need reminding. Equality of opportunity to clubs	3
Funding all school trips including residential trips for PP pupils across the school	Equality of opportunity to go on school trips including residential trips.	3

Funding Fegans Play Therapist and Time to Talk/ELSA TA	Support for children with emotional needs – a higher proportion of PP children benefit from this This supports with wellbeing and attendance	1
Funding additional Forest School sessions for disadvantaged pupils	Supports with wellbeing and social skills	1
Children eligible for PP in bottom 20% of readers are able to access Reading Dog sessions during the year	Supports with reading and wellbeing and confidence	2
Staff training using KEPS SLA on supporting pupils to be more resilient	Evidence based training delivered by KEPS	1

Total budgeted cost: £80,000
