

Contact Letter	Date: 14 th February 2020	Year Group: 5
Topic: Inventions		
<p>Have a lovely half term. This is what we shall be teaching when the children come back:</p> <ul style="list-style-type: none"> • Maths: We will be adding and subtracting fractions, including finding common denominators. • English: We will be starting a new text, 'The Last Wild.' • Wider curriculum: Having looked at germs in Science, we explored the advent of sanitation in ancient civilisations. The children will now be exploring the impact of medicine and cultural practices to maintain society.
