Topic: Knowing me, knowing you		
<p>This week we have started learning our sounds in Phonics. We have looked at s,a,t,p, thinking about things that start with the same sound, who has it in their name, recognising them in books and around their environment. We have focused on numbers 1-5, finding the correct numbers of objects, counting 1:1 and putting them in order. We thought about Remembrance Day, having our 2 minutes silence and drawing lots of poppies. We have also been talking about our senses, focusing on what can you hear.</p>		
Next week's focus: Stories		
<p>We will be recapping previous sounds and looking at new ones in Phonics i,n,m,d. In Maths, we will be recognising numbers in different forms, playing number games and using a number line. We will also look at coins, using 1p's in the role play. We will be using our touch senses to feel different things and guess what they are and making our own musical instruments.</p>
