Topic: Knowing me, knowing you		
<p>This week we revised the sounds s, a, t, p, i, n, m, d and looked at how we can blend the sounds to make a word. We introduced c, o, g and k and have been trying to make up silly sentences using one particular sound e.g. Curly caterpillar crunches crisps. We have started to learn how to write the letters c, o, a and d (these are all formed from the same starting point). In Maths we continued to look at recognising numbers and finding different ways to make each number. We talked about our day and tried to sequence the events. Outside, we went for a Superhero theme and the children made masks, splatted targets using syringes filled with water and built dens. They especially seemed to enjoy the obstacle course.</p>		
<p>Next week - We will be recapping previous sounds in phonics and looking at ck, e, and r. In Maths, we will continue to look at numbers 1-5. We will be trying to visualize what 1 more and 1 less would be. We will look at a set of objects and try and work out which one might be the odd one out. We will be talking about our sense of taste. We will try different fruit and describe how they taste and discuss which one is the favourite.</p>
