

Welcome to St James'

This is the Early Years Entrance. It is only used by Reception children.

When you are settled into school, you will be brave enough to find your own way through to the classroom.

This is Oak Class.

Oak Class has 3 computers that you will be able to use and iPads.

There are small toilets with sinks for you to use.

Early Years Playground

There is a playground just for children in Reception. You will be able to use this throughout the day.

There is a green tunnel slide.

There is a stage where you can perform songs, dance and a small house to sit and read books in.

We have large wooden bricks to build with and lots of different materials to make large models.

We have lots of different types of bikes.

There is a water area.

There is a mud kitchen for you to do some mixing.

You will need to keep some wellies that can stay at school so you don't get your school shoes muddy!

Your First Days

You may feel a little bit sad when your mummy and daddy leave.

Your teachers will help you to feel better by finding toys to play with and books to read.

You won't be at school for a long time and your mummy and daddy will be back to pick you up very quickly.

If you are worried, you could ask your mummy or daddy to draw you a little picture to keep safe in your pocket, or you could each have a piece of a puzzle that fit together again when you see each other.

You may want to bring a small toy to keep in your bag to help you feel happy.

Your teachers will help you to meet new people and there may even be some children you already know!

You will have lots of fun at school.
