Kindly,

The ASC team

‘ We have a relaxed & inclusive ‘home from home’ environment for children from Reception to Year 6.

- We offer crafts, toys, games, occasional themed events (Harvest, Chinese New Year, Burns' Night etc) and make as much use of the outdoor areas as possible.
- All activities are optional. The children can let off steam outside or use quieter areas to play in the hall before or after a long day at school.
- We have high staff-to-children ratios and the team are there to lead, join in with or supervise activities, as appropriate. ’
